The following table has the contact details for those Specialist Suppliers who have registered their interest in working with DSA-QAG.

A Specialist Supplier is a supplier that only supplies items of a specific nature (e.g. furniture) not, normally, including computer systems.

The companies listed below do not sign up to the DSA-QAG Suppliers' Level Agreement (SLA) and therefore are not subject to quality assurance audits carried out by DSA-QAG. You may use their services at your own discretion.

This table will be updated as necessary.
